At the Reg 18 stage CPRE Oxfordshire called for specific exclusion of sites where there would be an impact to the nearby settlement, its character and landscape. We would like to see this included to protect the countryside around smaller communities , as other Plans within the county have included.

5. Please set out what change(s) you consider necessary to make the Local Plan legally compliant or sound. Please provide any suggested wording or re-wording you consider necessary.

CPRE Oxfordshire highlight the wording of the Joint South and Vale Oxfordshire Local Plan and seek Cherwell to include the wording they apply as an additional point when assessing the suitability of the site:

“appropriate to its location considering character”

CPRE Oxfordshire have within our organisation experts across all fields in countryside protection. We have responded with several Part B forms in relation to this area and consider we are best placed to voice areas of concern on this top consultee priority.
